GENERAL PLAYING TIMES DURING THE SEASON

Monday

The Veterans hold a competition in the morning. The course is open for social golf before 8.30 am and after 9.30am.

Tuesday

The course is open for social golf all day.

Wednesday

The lady members hold a competition in the morning. The course is open for social golf before 8.00am and after 12 noon.

Thursday

Men and lady members plus visitors hold a competition run by the Club Professional in the morning. The course is open for social golf after 12.30pm.

Friday

The course is open for social golf all day.

Saturday

Men and lady members and their visitors hold separate competitions in the morning. The course is open for social golf after 12.30pm.

Sunday

Although the Moruya Eagles play a 9-hole competition early in the morning arrangements can usually be made to play a round of golf from mid-morning onward.

Note:

- a. Pennant fixtures being played on the course have priority over all others.
- b. Please check with the Golf Shop on 4474 3326 in advance for your desired tee off time as the course may be booked for major events or by a large social group.

CLUB COMPETITION RULES & RELATED MATTERS

The Match Committee is responsible for the supervision and control of all competitions, the settlement of disputes and the selection of teams.

To assist the Match Committee, members are requested to:

- Familiarise themselves with all notices posted on the Local Rules Board.
- Advise the office/pro shop of any cancellation from a club competition.
- Report to the pro shop **15 minutes** prior to the scheduled tee time. Failure to do so may result in the member being relegated to the end of the field.

PACE OF PLAY POLICY

The Match Committee may introduce start & finish times on the cards. If this is done, then:

The match committee will calculate time difference and if it is more than 4 hours 15 minutes, move to the next step.

This involves checking whether the group finished within 15 minutes of the group in front of them. If so no penalty will apply as they can go no faster than the pace of play. This allowance is to take into account factors such as a lost ball over the last few holes.

If the group does not satisfy points 2 or 3 (i.e. a 4 ¼ hour round or a finish within 15 minutes of the preceding group) then automatic two shot penalties are applied – **no questions asked**. Groups not satisfying points 2 and 3 are taking over 4 ½ hours, which the Match Committee has deemed unacceptable.

Players searching for a lost ball should signal the players in the group behind as soon as it becomes apparent that the ball will not easily be found. They should not search for 3 minutes before doing so.

MARKING OF CARDS

Players are responsible for correctly recording their score for each hole in a legible manner and that the card is signed by themselves and their marker. At the end of each competition members are requested to enter their scores into the computer prior to handing in their cards.

In club 4BBB events, the scorer for the team on each hole must be clearly identifiable and a separate 4 ball card returned

The total score should be written in the appropriate areas on the top of the card, be signed by two players and handed to the Match Committee within a reasonable time of the completion of a round. Failure to do so may result in disqualification & the score not being included in the competition results.

All events (unless otherwise nominated as only a Fourball, Foursomes or Ambrose etc.) shall be conducted as individual competitions under applicable rules and a score card must be returned by each player.

TIES & COUNT-BACK

The count-back system will be used in events other than Championships.

Ties in Championships and Open events must be played on the final day as directed by the Match Committee. Any player not available that day will forfeit his/her right to participate in the playoff. The Match Committee reserves the right to vary conditions should they deem it advisable

The G.C.S. system automatically calculates countbacks according to the long established formula..

KNOCKOUT COMPETITIONS

Matches must be played on or before the dates stipulated in the conditions of play. If at the time stipulated one party is not present to play, the other will be conceded a walkover, or if neither party is present, both will forfeit. Matches can be played prior to dates set down, but only by mutual consent of all parties concerned. When the draw for any knockout competition has been posted on the notice board no substitution of players will be allowed, and the 'play or forfeit' rule will be strictly enforced.

Note: In handicap knockout competitions handicaps remain the same for the duration of the match play rounds. The only exception is for reductions, whereby you must play off your lowest handicap for the period of the event. In other words, if your handicap is 14.4 at the time of your first match, you must play off 14 for each round. If, however, you are off 14.6 at the commencement of the match play and the week before your second match, you reduce your handicap by 1.2, you must play off 13 for the remainder of the event. If you start the match play in a particular Grade or Division, you remain in that Grade or Division even if your handicap moves you to another.

MODES OF PLAY

Stroke: The score at each hole is entered on the card, totalled and the player's full handicap then deducted. The player who completed the stipulated round in the fewest strokes will be the winner.

Par: In par, the score is entered on the card in the same way as in stroke play with the exception of where the score exceeds par for the hole. This is determined by allowing for the handicap stroke as shown in the stroke index column. For example, a player with a handicap of 18 will add one shot to the par value for each hole to determine their par of the hole. Thus a hole rated as a par 4 becomes a par 5 for the player. If the player has 6 or more, the score need not be written in. As soon as a player is beaten by par, the ball shall be picked up.

If the score is better than par then the result is a '+' sign for a win. If equal to par then a '0' sign for a half and a '-' sign for a loss. At the end of the round the plus and minus scores are added and the result is written on the top of the card.

Note: The number of strokes as well as '+' and '0' signs must be recorded on the card.

Stableford: The player takes strokes at holes as in a par competition and scores points on the nett result at each hole. At the end of the round all points are added and the player having the highest number of points is the winner. After allowing for their handicap, a player who scores par receives two points, one over par 1 point, one under par three points, two under par four points and so on.

Eclectic: See Men's major events for more details.

Four-Ball Match Play: Reduce the stroke play handicap of all players by the handicap of the lowest marker, who will then play off scratch. Each of the other three players is then allowed their resulting handicap with strokes at the holes indicated in the **match play** index.

Ambrose: Handicaps are added and divided by 4, 6 or 8 depending on whether it is 2, 3 or 4 players in the team. Each player hits off the tee and the preferred ball is selected, each player then hits from that spot and the preferred ball is again selected, this continues for each hole. It will determined on the day how many tee shots each player must have.

Irish Team Event: All players in the team play their own ball, the best score is used on the first 6 holes, the best 2 scores for the next 6 holes and the best 3 scores for the last 6 holes. Note on the card who is scoring and their score at that hole, then put the score for that hole in the result column. If an individual Stableford is held in conjunction all 4 players may be noted on one card but all names and handicaps must be shown on the card. Each column must show the player, their score and their points for each hole as well as the total for the team on that hole.

Bisque: PAR or Stableford. The player decides how many handicap strokes to take on each hole, however, the player must decide and note on the card **before** teeing off the next tee. Players **may not** wait till the end of the round to work out where to take their shots.

Foursomes: Two players play as partners and use one ball. The players play from alternate tees and thereafter play the ball alternately during the play of each hole. Scoring is completed as for stroke and the total is subject to a deduction of half the aggregate handicap.

Medley: Where both women and men compete in the same competition, with the women playing from the yellow tees and men from the white. Full conditions of play are on the board.

Eagles Nest has 1 ball added each week for an Eagle in Men's Saturday competition for February to December. Eagles achieved on a Sunday in the Club Championship, Winter Tournament or the Open are included in this competition. There is a maximum of 20 balls awarded for an eagle. Only Club Members may claim eagles, and holes 8 and 16 are excluded from the competition.

JUNIOR MEMBERS

A cadet program was introduced in 2006 and time slots will be allocated for cadets to participate in their own competition. Juniors participating in this program will still be eligible to participate in the normal Saturday competition. The Captain will monitor the effectiveness of this joint participation.

The club is running a Kookaburra program for the development of junior golf. The Kookaburras are juniors who come along on Saturday mornings to have fun, while participating in a golf program. This program has three tiers and upon successful completion they graduate to 18-hole competitions.

The contact is Ray Carnall on 4471 8643 or contact the Pro Shop.

HANDICAPS

Handicap limit for men is 36

Moruya Men's Course Ratings are:

Blue: 71 Slope rating 136
White 70 Slope rating 133
Black 66 Slope rating 119

A Grade +9 to 12 (inclusive)
B Grade 13 to 18 (inclusive)
C Grade 19 to 25 (inclusive)
D Grade 26 to 36 (inclusive)

The handicap divisions will be monitored over the coming months to confirm the grades are the best fit for the club.

To facilitate scoring during medley events the handicaps for ladies will be:

A Grade +9 to 12 (inclusive)
B Grade 13 to 18 (inclusive)
C Grade 19 to 25 (inclusive)
D Grade 26 to 36 (inclusive)

These handicaps do not apply for ladies Wednesday competitions or GNSW competition.

Full conditions of play for Moruya golf are provided on the notice board along with local rules, players should familiarise themselves before play.

Handicap for new members

To obtain a handicap, a player is required to submit a minimum of 3 cards of 9 consecutive holes, marked by a golfing Club Member possessing a handicap. The cards should be clearly entitled 'FOR HANDICAP' and have the person's membership number written at the top. It is acceptable to submit cards from other courses signed by a marker with an AGU handicap, as long as two cards are from Moruya Golf Club and signed by a Moruya Member.

Rules and Handicapping

Handicapping and Course Rating

GA Handicap System and Support Resources

There is an article titled "No Lapsed Handicaps"

Handicaps are calculated as follows:

The best 8 of the last 20 cards are averaged and multiplied by 0.93 to find their G.A. which is then multiplied by the Slope Rating & divided by 113 to obtain the day's handicap. This may change according to the course being played.

Handicaps for 36 – 54 – 72 Hole Events

In all 36 – 54 – 72 hole handicap events, players shall remain on commencing handicaps for overall prizes. Daily prizes will be awarded on the player's handicap at the commencement of each round.

MOBILE PHONES

The possession of a mobile phone by a competitor or caddie is permitted, provided that whilst on the golf course during the event, it is used as a GPS device only. The phone may only be used in cases of medical emergencies of which proof may be required. The penalty for breach of this condition is disqualification.

COMPLAINTS

All complaints must be made in writing to the General Manager who, if unable to satisfy them, shall submit the complaint to the relevant committee or to the Board of Directors. Members are not to question or challenge staff of the Golf Club. All questions or complaints should be directed to the Secretary Manager.

RULES OF GOLF

All golfers are required to abide by the Rules of Golf as approved by the Royal and Ancient Golf Club of St Andrews, Scotland and the United States Golf Association.

ETIQUETTE

It is expected that members and visitors will abide by the accepted rules and etiquette applying to the game of golf. Particular attention is drawn to the following:

- a. No one should move, talk or stand close to or directly behind the ball or hole when a player is addressing the ball or making a stroke.
- b. In the normal course of events, the player who has the honour should tee off first in their group. If the players ahead are out of range, the player who has the honour should tee off before marking their card. However, in the interest of speeding up play, players are encouraged to adopt the 'Ready – Set – Go' practice. In other words, if you are ready, play your shot and ignore the formalities.
- c. No player should play until preceding players are out of range. Players should be aware of their capabilities when applying this principle.
- d. All players should keep up with the group in front of them. Slow play can incur penalties from the Match Committees.
- e. Players searching for a ball, where it is evident that it will not be found quickly, should call the group behind through.
- f. Players must carry and use sand buckets to repair divots through the green. Players must repair pitch marks.

- g. Before leaving a bunker, a player should carefully repair all damage caused by the impact of the ball, footprints etc. Rakes must be replaced at the bottom of the bunker with the handle pointing towards the line of play on that particular hole.

BEHAVIOUR

Golf is a sport of great tradition characterised by golfers' exemplary behaviour and fair play. No unsportsmanlike behaviour will be tolerated and golfers must abide by the written and unwritten rules.

Unacceptable behaviour includes:

- Loss of temper
- Verbal abuse of officials or players
- Deliberately distracting or provoking opponents
- Throwing clubs
- Shouting, swearing or making unnecessary noise
- Cheating in any form including manipulating scores and moving a ball to improve its lie
- Damaging or littering the course

PRACTICE

All practice is to be restricted to the practice facilities. Players are not to:

- a. Play any practice shots to any putting green.
- b. Play any practice shots from a fairway.
- c. Play any practice shots from a tee block.

DRESS RULES

Dress of Members, guests, visitors and green fee players must be neat and tidy at all times. Below is a list of what is and not acceptable dress attire both in the clubhouse and on the golf course.

<p>Acceptable Jeans (neat) Collared shirts Skivvies Trousers or slacks Non-metal spikes Dress shorts with long walk socks or short socks</p>	<p>Not Acceptable Tracksuits Football Jumpers Shorts of a gymnasium nature Shorts of an abbreviated nature Drawstring shorts Sun tops, singlets Torn shirts, T-shirts</p>
---	--

Any persons not dressed appropriately may either be refused permission to use the course and clubhouse facilities, or be removed from the course if their dress is deemed unacceptable by an appropriate authority, which includes the Club Professional.

This is a group of mature members of the Club (males and females 50 and over), who play a nine-hole Stableford competition on most Mondays during the year. Players assemble for an 8.30am start throughout the year.

The dates of events for Veterans are included in the monthly calendar.

Veterans participate in a number of sponsored and charity 18 hole events during the year. Members are able to participate in the club championship, which is held over 36 holes in May. Members can also participate in the Far South Coast Veterans competitions, which are usually held once a month.

NARMORGUI CUP

This event is played between three clubs: NARooma, MORuya and BermaGUI – NARMORGUI – and is a mixed Fourball Best Ball competition. Each Club hosts a round in turn. Adding the scores of the top seven teams from each club and averaging them determines the winning club for each round. All results are progressively totalled and the Cup winner is the Club with the highest number of points at the end of the third round. The event is usually a “shot-gun” start and the hosting club provides a snack at the end of the day.

The Moruya Eagles is a social golf club within the Moruya Golf Club. It caters for those members who enjoy a social game of golf. Also, it gives members an opportunity to play an early 9 holes of golf on a Sunday morning in a warm and welcoming atmosphere.

The club is always eager to welcome new members as it gives them an ideal to be introduced to competitive golf in a relaxed environment. We cater for males, females and juniors, and would be delighted to expand our numbers. Please contact Ron or Steve if you would like to join.

A competition fee of \$5 is charged for 9 holes. Normal start time is 7.30am
Competition dates are set out in the monthly calendar.

For further information contact Ron or Dave Hyndes.

GNSW MEDAL

Division 1 0-22
Division 2 23-32
Division 3 33-45

HANDICAPS

The Handicap limit is 45.
Handicaps are adjusted as follows:

The best 8 of the last 20 cards are averaged and multiplied by 0.93 to find their handicap, players should note this method means their handicap is dependent on their most recent card and the card being replaced so handicaps may change unexpectedly and should be checked before every game.

Where competitions are played in grades, these grades will be advised at that time.

Women Members Singles Championship

72 Holes played in 3 divisions as per Medal Rounds.

1st round Wednesday 11th May

2nd round Wednesday 18nd May

3rd round Wednesday 25th May

4th round Wednesday 1st June

Women Members Foursomes Championships
