GENERAL PLAYING TIMES DURING THE SEASON

Monday

The Veterans hold a competition in the morning. The course is open for social golf before 8.30 am and after 9.30am; there will be an open Pro medley competition on all holiday Mondays when the Vet's will play on Tuesday when possible.

Tuesday

The course is open for social golf all day.

Wednesday

The women members hold a competition in the morning. The course is open for social golf before 8.30am and after 12 noon during daylight saving and before 9am and after 12.30pm during winter.

Thursday

Male and female members and visitors hold a competition in the morning. The course is open for social golf before 9am and after 12.30pm.

Friday

The course is open for social golf all day.

Saturday

Male and female members and visitors hold a competition in the morning. The course is open for social golf before 9am and after 12.30pm.

Sunday

Although the Moruya Eagles play a 9-hole competition early in the morning arrangements can usually be made to play a round of golf from mid morning onward.

Note:

- a. Pennant fixtures being played on the course have priority over all others.
- b. Please check with the Professional Shop on 44743326 in advance of your desired tee off time as the course may be booked for major events or by a large social group.

CLUB COMPETITION RULES & RELATED MATTERS

The Match Committee is responsible for the supervision and control of all competitions, the settlement of disputes and the selection of teams.

To assist the Match Committee, members are requested to:

- Familiarise themselves with all notices posted on the Local Rules Board.
- Advise the office/pro shop of any cancellation from a club competition.
- Report to the pro shop **15 minutes** prior to the scheduled tee time. Failure to do so may result in the member being relegated to the end of the field.

PACE OF PLAY POLICY

Start and finish times **MUST BE** written on the card.

The match committee will calculate time difference and if it is more than 4 hours 15 minutes, move to the next step.

This involves checking whether the group finished within 15 minutes of the group in front of them. If so no penalty will apply as they can go no faster than the pace of play. This allowance is to take into account factors such as a lost ball over the last few holes.

If the group does not satisfy points 2 or 3 (i.e. a 4 ¼ hour round or a finish within 15 minutes of the preceding group) then automatic two shot penalties are applied – **no questions asked**. Groups not satisfying points 2 and 3 are taking over 4 ½ hours, which the Match Committee has deemed unacceptable.

Players searching for a lost ball should signal the players in the group behind as soon as it becomes apparent that the ball will not easily be found. They should not search for 5 minutes before doing so.

MARKING OF CARDS

Players are responsible for correctly recording their score at each hole in a legible manner, ensuring their correct handicap is shown and that the card is signed by themselves and their marker. At the end of each competition members should enter their scores into the golf system prior to handing in their cards.

In 4BBB events the scorer for the team on each hole must be clearly identifiable.

The total score should be written in the appropriate areas on the top of the card and handed to the Match Committee within a reasonable time of the completion of a round.

Failure to do so may result in the score not being included in the competition results.

All events (unless otherwise nominated as only a Fourball, Foursomes or Ambrose etc.) shall be conducted as individual competitions under applicable rules and a score card must be returned by each player. In other words, in combined individual and team events, **MEMBERS MUST SUBMIT BOTH AN INDIVIDUAL CARD AND A CLEARLY DEFINED TEAM CARD**, failure to do so may result in disqualification through scores not being recognised.

TIES & COUNT-BACK

The count-back system will be used in events other than Championships. Ties in Championships and open events shall be played off as directed by the Match Committee.

Using the count-back system, the best score for the last nine holes of the course shall be used. If there is still a tie, the last six holes shall be used and if still tied then the last three holes shall be used. If a tie still exists, then hole-by-hole scores shall be taken from the eighteenth hole.

KNOCKOUT COMPETITIONS

Matches must be played on or before the dates stipulated in the conditions of play. If at the time stipulated one party is not present to play, the other will be conceded a walkover, or if neither party is present, both will forfeit. Matches can be played prior to dates set down, but only by mutual consent of all parties concerned. When the draw for any knockout competition has been posted on the notice board no substitution of players will be allowed, and the 'play or forfeit' rule will be strictly enforced.

Note: In handicap knockout competitions handicaps remain the same for the duration of the match play rounds. The only exception is for reductions, whereby you must play off your lowest handicap for the period of the event. In other words, if your handicap is 14.4 at the time of your first match, you must play off 14 for each round. If, however, you are off 14.6 at the commencement of the match play and the week before your second match, you reduce your handicap by 1.2, you must play off 13 for the remainder of the event. If you start the match play in a particular Grade or Division, you remain in that Grade or Division even if your handicap moves you to another.

MODES OF PLAY

Stroke: The score at each hole is entered on the card, totalled and the player's full handicap then deducted. The player who completed the stipulated round in the fewest strokes will be the winner.

Par: In par, the score is entered on the card in the same way as in stroke play with the exception of where the score exceeds par for the hole. This is determined by allowing for the handicap stroke as shown in the stroke index column. For example, a player with a handicap of 18 will add one shot to the par value for each hole to determine their par of the hole. Thus a hole rated as a par 4 becomes a par 5 for the player. If the player has 6 or more, the score need not be written in. As soon as a player is beaten by par, the ball shall be picked up.

If the score is better than par then the result is a '+' sign for a win. If equal to par then a '0' sign for a half and a '-' sign for a loss. At the end of the round the plus and minus scores are added and the result is written on the top of the card.

Note: The number of strokes as well as '+' and '0' signs must be recorded on the card.

Stableford: The player takes strokes at holes as in a par competition and scores points on the nett result at each hole. At the end of the round all points are added and the player having the highest number of points is the winner.

After allowing for their handicap, a player who scores par receives two points, one over par 1 point, one under par three points, two under par four points and so on.

Eclectic: See Men's major events for more details.

Four-Ball Match Play: Reduce the stroke play handicap of all players by the handicap of the lowest marker, who will then play off scratch. Each of the other three players is then allowed their resulting handicap with strokes at the holes indicated in the **match play** index.

Foursomes: Two players play as partners and use one ball. The players play from alternate tees and thereafter play the ball alternately during the play of each hole. Scoring is completed as for stroke and the total is subject to a deduction of half the aggregate handicap.

Medley: Where both women and men compete in the same competition, with the women playing from the red tees and men from the blue. Full conditions of play are on the board.

Eagles Nest has 1 ball added each week for an Eagle in Men's Saturday competition for February to December. Eagles achieved on a Sunday in the Club Championship, Winter Tournament or the Open are included in this competition. There is a maximum of 20 balls awarded for an eagle. Only Club Members may claim eagles, and holes 8 and 16 are excluded from the competition.

JUNIOR MEMBERS

A cadet program was introduced in 2006 and time slots will be allocated for cadets to participate in their own competition. Juniors participating in this program will still be eligible to participate in the normal Saturday competition. The Captain will monitor the effectiveness of this joint participation.

The club is running a Kookaburra program for the development of junior golf. The Kookaburras are juniors who come along on Saturday mornings to have fun, while participating in a golf program. This program has three tiers and upon successful completion they graduate to 18-hole competitions.

There is a time sheet for 9-hole players who start at 7.30 am and the entry fee is \$4. The 5-hole players start at 3.15 pm Tuesdays and pay a fee of \$3. The Kookaburra program has a 4-day championship in November and foursomes championship in August.

Cadbury Schweppes sponsor two 9-hole shoot out competitions during the year.

The contact is Ray Carnall on 4471 8643 or contact the Pro Shop.

HANDICAPS

Handicap limit for men is 36

From December 2010 we are creating a D Grade to make the divisions fairer, generally for Saturday competitions members will be divided into grades as follows:

- A Grade** +9 to 13 (inclusive)
- B Grade** 14 to 19 (inclusive)
- C Grade** 20 to 27 (inclusive)
- D Grade** 28 to 36 (inclusive)

The handicap divisions will be monitored over the coming months to confirm the grades are the best fit for the club.

To facilitate scoring during medley events the handicaps for ladies will be:

- A Grade** +9 to 13 (inclusive)
- B Grade** 14 to 19 (inclusive)
- C Grade** 20 to 27 (inclusive)
- D Grade** 28 to 45 (inclusive)

These handicaps do not apply for ladies Wednesday competitions or GNSW competition.

Full conditions of play for Moruya golf are provided on the notice board along with local rules, players should familiarise themselves before play.

Handicap for new members

To obtain a handicap, a player is required to submit 3 cards of 18 consecutive holes, marked by a golfing Club Member possessing a handicap. The cards should be clearly entitled 'FOR HANDICAP' and have the person's membership number written at the top. It is acceptable to submit cards from other courses signed by a marker with an AGU handicap, as long as two cards are from Moruya Golf Club and signed by a Moruya Member.

All handicap records are reviewed at the beginning of each year with effect from 1st January. To retain an AGU handicap, a member must have submitted cards from 3 single competition events during the preceding year.

Handicaps are calculated as follows:

The best 8 of the last 20 cards are averaged and multiplied by 0.93 to find their handicap, players should note this method means their handicap is dependant on their most recent card **and** the card being replaced so handicaps may change unexpectedly and should be checked before every game.

Handicaps for 36 – 54 – 72 Hole Events

In all 36 – 54 – 72 hole handicap events, players shall remain on commencing handicaps for overall prizes. Daily prizes will be awarded on the player's handicap at the commencement of each round.

MOBILE PHONES

The possession of a mobile phone by a competitor or caddie is permitted, provided that whilst on the golf course during the event, it is turned off at all times. The phone may only be used in cases of medical emergencies of which proof may be required. The penalty for breach of this condition is disqualification.

COMPLAINTS

All complaints must be made in writing to the Secretary Manager who, if unable to satisfy them, shall submit the complaint to the relevant committee or to the Board of Directors. Members are not to question or challenge staff of the Golf Club. All questions or complaints should be directed to the Secretary Manager.

RULES OF GOLF

All golfers are required to abide by the Rules of Golf as approved by the Royal and Ancient Golf Club of St Andrews, Scotland and the United States Golf Association.

ETIQUETTE

It is expected that members and visitors will abide by the accepted rules and etiquette applying to the game of golf. Particular attention is drawn to the following:

- a. No one should move, talk or stand close to or directly behind the ball or hole when a player is addressing the ball or making a stroke.
- b. In the normal course of events, the player who has the honour should tee off first in their group. If the players ahead are out of range, the player who has the honour should tee off before marking their card. However, in the interest of speeding up play, players are encouraged to adopt the 'Ready – Set – Go' practice. In other words, if you are ready, play your shot and ignore the formalities.
- c. No player should play until preceding players are out of range. Players should be aware of their capabilities when applying this principle.
- d. All players should keep up with the group in front of them. Slow play can incur penalties from the Match Committees.
- e. Players searching for a ball, and it is evident that it will not be found quickly, should call the group behind through.
- f. Players must carry and use sand buckets to repair divots through the green. Players must repair pitch marks.
- g. Before leaving a bunker, a player should carefully repair all damage caused by the impact of the ball, footprints etc. Rakes must be replaced at the bottom of the bunker with the handle pointing towards the line of play on that particular hole.

BEHAVIOUR

Golf is a sport of great tradition characterised by golfers' exemplary behaviour and fair play. No unsportsmanlike behaviour will be tolerated and golfers must abide by the written and unwritten rules.

Unacceptable behaviour includes:

- Loss of temper
- Verbal abuse of officials or players
- Deliberately distracting or provoking opponents
- Throwing clubs
- Shouting, swearing or making unnecessary noise
- Cheating in any form including manipulating scores and moving a ball to improve its lie
- Damaging or littering the course

PRACTICE

All practice is to be restricted to the practice facilities. Players are not to:

- a. Play any practice shots to any putting green.
- b. Play any practice shots from a fairway.
- c. Play any practice shots from a tee block.

NARMORGUI CUP

This event is played between three clubs: NARooma, MORuya and BermaGUI – NARMORGUI – and is a mixed Fourball Best Ball competition. Each Club hosts a round in turn. Adding the scores of a designated number of teams from each club and averaging them determines the winning club. The number of teams is determined by the Club, which has the lowest number of teams on the day (eg. if Narooma has 20 teams, Moruya has 15 and Bermagui 13, then the best 13 team results from Narooma and Moruya will be averaged against the Bermagui average result. All results are progressively totalled and the Cup winners are the Club with the highest number of points at the end of the fourth round. The event is usually a “shot-gun” start and the hosting club provides a snack at the end of the day.

There will be a gross prize in each grade. The winners will share the money pool.
